

8-channel latitude and longitude timing and light control module

Overview

◇ Large English LCD display screen ◇ Support 4 time period timing control ◇ Support illumination control ◇ Support latitude and longitude control ◇ Support holiday control ◇ Each loop can be switched on and off separately ◇ Support any scene control ◇ Standard MODBUS protocol. ◇ Large English LCD display screen ◇ Support 4 time period timing control ◇ Support illumination control ◇ Support latitude and longitude control ◇ Support holiday control ◇ Each loop can be switched on and off separately ◇ Support any scene control ◇ Standard MODBUS protocol. welcome to taobao purchase intellig lighting control module 8/12/16 channel latitude light controller rs485 dual layer 40a, taobao taobao taobao/tmall tmall tmall counting billion hot selling good goods, official logistics can send to the global service, support foreign currency payment. welcome to taobao purchase precision timing warp and latitude control, taobao taobao taobao taobao/tmall tmall tens of billions of hot selling goods, official logistics can send to the global, support foreign currency payment and other payment methods, platform customer service 24hours online, by. Shipping fee and delivery date to be negotiated. Chat with supplier now for more details. The GF-LCS6008-TMS controller is a new generation multifunctional latitude and longitude intelligent controller independently developed, designed, and produced by Beijing Jiafuxin Technology Co. This product adopts a guide rail installation design, which has the characteristics of compact. The 4-way light control, and the current per loop can reach 0-20A When the light or device controlled is greater than 20A Touchable conversion use.

world.taobao : Intelligent Lighting Control Module Time Control ...

Intelligent Lighting Control Module Time Control Module 8/12/16 Channel Latitude and Longitude Light Controller Rs485 Dual Layer 40A

4/6/8/10/12 channel 16A intelligent lighting time control module ...

Buy 4/6/8/10/12 channel 16A intelligent lighting time control module latitude and longitude light online today! Dear Sir/Madam, Thank you for visiting our store! ☐The quality of our products is original

8-channel, 12-channel LCD Screen16A/20A/50A Longitude and

8-channel, 12-channel LCD Screen16A/20A/50A Longitude and Latitude Time Control Module for Lighting Control System

4/6/8/9/10/12-channel 16A intelligent lighting time control module ...

Buy 4/6/8/9/10/12-channel 16A intelligent lighting time control module, latitude and longitude light online today! Reminder: Once cod is approved, the goods will be deemed to have been sold and will be

☑♥ Xichi Intelligent Lighting Control Module 8-Channel Latitude and ...

Buy ☑♥ Xichi Intelligent Lighting Control Module 8-Channel Latitude and Longitude Street Light Automatic online today! Dear Valued Customer, We're thrilled to have you explore our store! ☐☐Our

Intelligent module 4/6/8/10/12 cannel ligting longitude

Buy Intelligent module 4/6/8/10/12 cannel ligting longitude and latitude timing 16A time control online today! Dear Sir/Madam, thank you for visiting our

GF-LCS6008-TMS 8-channel latitude and longitude intelligent controller

The GF-LCS6008-TMS multifunctional latitude and longitude intelligent controller adopts industrial grade wiring terminals, making on-site wiring exceptionally simple, convenient, and reliable.

Intelligent Lighting Time Control Module Latitude and Longitude

Intelligent Lighting Time Control Module Latitude and Longitude Timing Controller 4/6/8/12/16 Channels Factory Direct Sales

4/6/8/12/16 intelligent lighting control module time

Upgrade your smart home with our RS485 light controller module, featuring intelligent time control and geo-location adaptability for versatile lighting solutions.

NMILC-TC8L/20A latitude and longitude time control module

Built-in 220V switching power supply Support latitude and longitude control and arbitrary time control RS485 communication Remote centralized control and local control Fire linkage Emergency manual

Intelligent lighting time control module astronomical clock light ...

Intelligent type: Other The control loop: 8-way 16A 20A 25A Power supply: AC110V-265V Control mode: Panel control Touch screen control manual control The remote mobile control: Computer software

HHQ16-A Longitude and Latitude Street Light Controller

The products are widely used in industrial control, machine tools, mechanical equipment, power systems and public utilities. It has more than 2000 employees, many joint ventures and

HHQ4-J Time switch (latitude and longitude) / Time

HHQ4-J time control switch (latitude and longitude) (hereinafter referred to as time control switch) adopts special timing chip and LCD liquid

Smart lighting longitude and latitude time control light control module ...

Overview 1. Product Features With timing/latitude and longitude time control/light control function/fire protection function LCD display, friendly man-machine interface Standard C A N protocol, RS485

4/6/8/9/10/12 channels 16A intelligent lighting module time latitude ...

Buy 4/6/8/9/10/12 channels 16A intelligent lighting module time latitude longitude light control online today! 4/6/8/9/10/12 channels 16A intelligent lighting control time control module time latitude

Xichi Intelligent Lighting Control Module 8-Channel Latitude and ...

Buy Xichi Intelligent Lighting Control Module 8-Channel Latitude and Longitude Street Light Automat online today! Dear Sir/Madam, Thank you for visiting our store! ☐The quality of our products is

Lighting Control Module Timer Module Home Street Light Landscape Light ...

Buy Lighting Control Module Timer Module Home Street Light Landscape Light Latitude Longitude Timing Co online today! Lighting Control Module Timer Module Home Street Light Landscape Light

Smart Lighting Timer Module Astronomical Clock Latitude Longitude

Buy Smart Lighting Timer Module Astronomical Clock Latitude Longitude Meter Light Timing Wireless Remote online today! Dear Sir/Madam, Thank you for visiting our store ☐The quality of our products

Astronomical Timer Switch | Automatic Sunrise

LETOP astronomical timer switches offer you an advanced solution. These smart devices calculate the exact sunrise and sunset times based on your specific

Intelligent Module Panel CAN Communication Time Control Latitude

Buy Intelligent Module Panel CAN Communication Time Control Latitude and Longitude Switch 8-Channel online today! Dear Sir/Madam, Thank you for visiting our store ☐The quality of our

Astronomical Timer Switch TM919TK 16A 3200W Digital Time

About this item Automatic Sunrise Sunset Technology: Experience precise lighting control with this astronomical timer switch that automatically calculates and adjusts to sunrise/sunset times based on

Intelligent lighting control time control module 8/12 20A light control ...

Intelligent lighting control time control module 8/12 20A light control latitude and longitude timing remote controller RS485

Intelligent time module 4/6/8/10/12 channel 16A latitude and longitude ...

Buy Intelligent time module 4/6/8/10/12 channel 16A latitude and longitude light control street lamp online today! Dear Sir/Madam, thank you for visiting our store! ☐☐ All parts are sold direct

Automatic Latitude and Longitude Astronomical Timer

Type LHC15W Working Voltage 100,110,115,120,127VAC 220,230,240VAC 12,24,36VDC Resistance Load Switch Capacity 25A 16A 25A Power

Light controlled time control controller, 8-way latitude and longitude ...

Light controlled time control controller, 8-way latitude and longitude street lamp timing circuit, intelligent lighting module, fire emergency switch Selections A single 16A module : A single 16A module can
