

800 Cable Tray Price

AI Overview

The price of 800mm cable trays varies by material, ranging from approximately ₹300 per meter for stainless steel to higher prices for specialized materials like fiberglass or aluminum.

Price Overview by Material

- Stainless Steel Cable Trays:** Available at around ₹300 per meter in India, suitable for industrial and outdoor environments due to high corrosion resistance.
- Galvanized Steel Cable Trays:** Typically used for heavy-duty applications; prices vary depending on thickness and coating, generally higher than standard steel trays.
- Aluminum Cable Trays:** Lightweight and corrosion-resistant, ideal for indoor and outdoor installations; prices are usually higher than steel but lower than premium fiberglass.
- Fiberglass Reinforced Plastic (FRP) Trays:** Offer superior chemical and moisture resistance, electrical insulation, and durability; these are premium options and cost more than metal trays.
- Wire Mesh Cable Trays:** Flexible and ventilated, suitable for data centers and commercial buildings; pricing depends on steel type (galvanized, stainless, or aluminum) and load capacity.

Factors Affecting Price

- Material Type:** Stainless steel and FRP are more expensive than standard steel or aluminum.
- Load Capacity:** Trays designed for heavy-duty industrial use cost more due to thicker construction.
- Finish and Coating:** Galvanized or hot-dip coated trays have higher corrosion resistance and higher prices.
- Supplier and Location:** Prices vary by region and supplier, with bulk orders often reducing per-meter cost.

Applications

800mm cable trays are widely used in industrial facilities, commercial buildings, and data centers to manage large volumes of electrical, power, and fiber optic cables. They provide organized cable management, heat dissipation, and easy maintenance access.

For accurate pricing, it is recommended to contact local suppliers or check online marketplaces like Alibaba, IndiaMART, or Made-in-China, as prices fluctuate based on material, quantity, and shipping.
