

Bahamas Fireproof Cable Tray Brands

AI Overview

Brilltech Engineers, Cable House, and Jeetmull Jaichandlall are leading cable tray manufacturers in the Bahamas offering high-quality, durable, and customizable solutions suitable for fire-resistant applications.

Key Manufacturers

- Brilltech Engineers Pvt. Ltd.** Brilltech Engineers is a trusted manufacturer and supplier of cable trays in the Bahamas, offering a wide range of products including ladder cable trays, perforated cable trays, PVC trays, mild steel, stainless steel, and galvanized options. Their trays are designed to enhance safety, prevent overheating, and protect cables from environmental hazards, making them suitable for fire-resistant installations. Brilltech provides customized solutions, installation support, and after-sales service, ensuring compliance with industry standards.
- Cable House** Cable House has been in operation since 1983 and is recognized for manufacturing cable trays, hose clamps, cable ties, and industrial connectors. They offer customized solutions with a focus on durability, reliable performance, and long service life, which is critical for fire-safe electrical systems. Their products are widely used in industrial and commercial projects, and they provide global shipping and customer support.
- Jeetmull Jaichandlall (P) Ltd.** Jeetmull Jaichandlall is known for high-quality cable trays in various sizes, shapes, and materials. Their manufacturing facility uses modern equipment and advanced technology to ensure top-quality products. The trays are designed to withstand heavy loads, resist deformation, and maintain performance under demanding conditions, which aligns with fire-resistant and safety requirements.

Product Features and Benefits
