

# Barbados Home Distribution Box Models and Specifications

## AI Overview

Home distribution boxes in Barbados include HT Series Junction Boxes, Carlon PVC Molded Wall Boxes, and a variety of multi-purpose electrical boxes from local suppliers.

**HT Series Electrical Distribution Boxes**

**Models:** 2, 3, 5, 8, 12, 15, 18, 24-way configurations (HT-8 example)

**Material:** Flame-retardant ABS+PC plastic

**Features:** Dustproof, impact-resistant, transparent cover for inspection, DIN rail included

**Applications:** Indoor and outdoor use, suitable for homes, workshops, solar installations, car charging stations, hotels, and shopping malls

**Installation:** Wall-mounted with included brackets, easy to install

**Certification:** CE certified, IP65 rated for outdoor protection

**Carlon 1-Gang PVC Molded Multi-Purpose Wall Box**

**Material:** Non-metallic PVC

**Mounting Options:** Captive nails, side flange, internal screws; compatible with wood or steel studs

**Design:** Large capacity for dimmers and larger switches, vertical or horizontal installation

**Applications:** Residential electrical wiring, suitable for new or old work

**Features:** Break-off flange for flexible installation depth, internal screw guides for secure mounting

**Other Electrical Box Options in Barbados**

Platinum Imports Inc. offers a wide range of electrical boxes for residential and commercial use, including boxes for kitchens, bathrooms, and general electrical installations

Simmons Electrical provides PVC electrical boxes suitable for emergency lighting and general electrical installations

Kooyman BV lists various electrical installation boxes, including standard and specialized distribution boxes

**Considerations for Selection**

**Number of Ways:** Choose based on the number of circuits required

**Material:** PVC for indoor use, ABS+PC for outdoor durability

**Installation Type:** Wall-mounted, flush, or surface-mounted

**Certifications:** Ensure CE or local compliance for safety

**Environmental Suitability:** IP65-rated boxes for outdoor exposure
