

Cable tray manufacturers in Lebanon

AI Overview

Lebanon hosts several reputable cable tray manufacturers, including SFSP Lebanon, Cable House, Powerline Group, and Brilltech Engineers, offering high-quality, standards-compliant cable management solutions.

Key Manufacturers and Offerings

SFSP Lebanon produces a wide range of cable trays, including ladder trays, basket trays, and trunking systems. Their products comply with local and international fabrication standards and are available in finishes such as mill galvanized, hot-dip galvanized, and powder-coated. They also provide supporting systems, metal framing, and underfloor trunking solutions for industrial and construction applications.

Cable House has been operating since 1983 and is recognized for manufacturing cable trays, hose clamps, cable ties, and industrial connectors. They offer customized solutions, ensuring high durability, reliable performance, and compliance with international standards. Cable House emphasizes quality control and customer satisfaction, providing tailored solutions for both national and international clients.

Powerline Group, established in 2002, supplies cable management systems and electrical products built to American and European standards. They serve both domestic and international markets, offering products suitable for industrial, commercial, and construction projects.

Brilltech Engineers specializes in durable cable trays made from galvanized steel, stainless steel, and fiberglass. Their trays are designed for optimal airflow, easy installation, and enhanced cable protection. Brilltech also provides professional support for product selection, system design, and installation, ensuring compliance with safety and regulatory standards.

Considerations for Choosing a Manufacturer

Material and Finish: Galvanized steel, stainless steel, and powder-coated options provide corrosion resistance and durability.

Compliance: Ensure products meet local and international standards for safety and performance.

Customization: Some manufacturers offer tail...
