

Cambodia Fireproof Cable Tray Prices and Accessories

AI Overview

Fireproof cable trays in Cambodia typically range from \$10 to \$50 per meter, depending on material, type, and specifications.

Price Overview

The cost of fireproof cable trays in Cambodia varies based on several factors:

- Material:** Steel, aluminum, fiberglass, and stainless steel are common. Fiberglass and stainless steel trays are more expensive due to their fire-resistant and corrosion-resistant properties.
- Type:** Ladder trays, solid-bottom trays, trough trays, and wire mesh trays differ in price. Ladder trays are robust and suitable for heavy-duty applications, while wire mesh trays are lighter and more ventilated, often slightly cheaper.
- Size and Load Capacity:** Wider trays or those designed to carry heavier cable loads cost more. Custom dimensions or high-capacity trays increase the price.
- Accessories:** Bends, tees, risers, covers, and dividers add to the overall cost.

Estimated Costs in Cambodia

Based on supplier listings and local market information:

- Standard ladder or perforated fireproof trays: Approximately \$10–\$25 per meter.
- High-end or stainless steel/fiberglass trays: Around \$30–\$50 per meter.
- Custom or heavy-duty trays with accessories: Prices can exceed \$50 per meter, depending on complexity and installation requirements.

Suppliers in Cambodia

Several suppliers provide fireproof and general cable trays:

- Super Cable Tray Pvt. Ltd. offers aluminum, stainless steel, and GI cable trays suitable for industrial and commercial use in Cambodia.
- Local distributors and online marketplaces like Khmer24 list cable trays and ladders, often with competitive pricing and delivery options.
- Trademo and Wiremeshes provide access to multiple manufacturers and exporters, allowing comparison of prices and specifications.

Recommendations

Determine the required tray type and material based on fire safety standards and load requirements. Request quotes from multiple suppliers to...
