

# Custom-made cable trays in Ireland

## AI Overview

Ireland offers a range of high-quality cable trays from local manufacturers and distributors, including steel, PVC, and wire mesh options for commercial and industrial applications. Key Manufacturers and Suppliers

**Core Distribution** provides a comprehensive range of cable management systems, including steel trunking, trays, baskets, and ladder systems suitable for various applications. They focus on strong, stylish, and easy-to-install solutions for both single and multi-compartment requirements, serving commercial and industrial projects across Ireland.

**Niedax CMS Ireland**, part of the global Niedax Group, specializes in “Quick Fit” cable management systems. They support electrical contractors throughout Ireland, offering expert advice, design assistance, and installation support. Their products are widely used in data centers, commercial automation, and large distribution centers.

**Jeetmull Jaichandlall (P) Ltd.** is recognized as one of the top cable tray manufacturers in Ireland. They produce wire mesh cable trays in various sizes, shapes, and colors, with a focus on high-quality finishing and adherence to industry standards. Their on-site manufacturing facility uses modern equipment and technology to deliver tailored solutions for diverse sectors.

**Clonegal Electrical** offers steel and PVC cable tray systems for commercial and industrial use, providing competitive trade prices and fast delivery across Ireland.

**Electrical Wholesaler Ireland** supplies durable cable trays designed for efficient cable management in domestic and industrial settings, emphasizing safety, organization, and quick delivery.

**Product Types and Applications**

- Steel Cable Trays:** Strong and durable, suitable for heavy-duty industrial and commercial installations.
- PVC Cable Trays:** Lightweight, corrosion-resistant, ideal for environments where chemical exposure or moisture is a concern.
- Wire Mesh Trays:** Flexible, open design for ventilation, easy routing, and visibility, commonly used in data centers and IT installations.

These cable trays are used in commercial buildings...
