

East Africa 4-core single-mode fiber manufacturer

AI Overview

Several reputable suppliers in East Africa, particularly Kenya, offer 4-core single-mode fiber optic cables suitable for outdoor and indoor installations. Key Suppliers in East Africa:

- Mtech Technologies (Nairobi, Kenya)** Mtech Technologies supplies 4-core armored single-mode fiber optic cables designed for direct burial and outdoor network infrastructure. Their cables are suitable for long-distance transmission and provide protection against environmental hazards.
- Dayari Technologies (Nairobi, Kenya)** Dayari Technologies offers 4-core single-mode fiber optic cables in loose tube construction with water-resistant filling compounds, steel wire reinforcement, and polyethylene sheathing. These cables are designed for outdoor use and provide durability against moisture and mechanical stress.
- HubTech Limited (Nairobi, Kenya)** HubTech is a leading ICT solutions provider in East Africa, offering a wide range of single-mode and multimode fiber optic cables, including 4-core variants. They supply cables for both internal and external applications and deliver across Kenya and neighboring countries such as Uganda, Tanzania, Rwanda, South Sudan, Somalia, and the DRC.
- BrightTech (Kenya)** BrightTech provides 4-core single-mode outdoor fiber optic cables with ruggedized, UV-resistant jackets, optional armoring, water-blocking features, and high tensile strength. Their cables comply with industry standards like ITU-T G.652 and are available in custom lengths for specific installation needs.
- TechyShop / Central LT Cables (Nairobi, Kenya)** TechyShop offers 4-core OM4 single-mode and multimode fiber optic cables with gel-filled tubes, E-glass strength members, and UV-stabilized jackets. These cables are suitable for both indoor and outdoor applications and can be customized with additional protective layers for harsh environments.

Considerations for Selection: Outdoor vs Indoor Use: Ensure the...
