

Fiber Optic Junction Box Tax Classification Code

AI Overview

The primary HS/HSN code for a fiber optic cable junction box is 85372000. Overview of Classification Fiber optic cable junction boxes, also referred to as fiber optic termination or distribution boxes, are used to house, protect, and manage fiber optic connections in network systems. These boxes are typically made of durable materials and may include connectors, splicing trays, or DIN rail mounts for fiber management.

HS/HSN Code Details
HS Code / HSN Code: 85372000 Chapter: 85 - Electrical machinery and equipment and parts thereof
Heading: 8537 - Boards, panels, consoles, desks, cabinets and other bases for electric control or the distribution of electricity
Subheading: 85372000 - Specifically covers fibre optic cable junction boxes or termination boxes used for the distribution and connection of fiber optic terminals in network systems.

Trade and Duty Considerations
This code is widely used for import and export of fiber optic junction boxes. It ensures smooth customs clearance and accurate duty calculation for international trade. Depending on the country of import, additional duties or trade remedies may apply, so it is important to verify the latest tariff schedules and any country-specific notes.

Related Notes
For general electrical junction boxes (non-fiber), other HS codes such as 8536908530 or 8536 may apply, depending on whether the box is primarily for circuit protection or fiber management. Always confirm the specific product features (e.g., connectors, voltage rating, fiber type) to ensure correct classification.

In summary, for fiber optic cable junction boxes, the HS/HSN code 85372000 is the standard classification used internationally for customs and trade purposes.

Customs Ruling NY N295489

RE: The tariff classification of a fiber optic distribution box from China. Dear Mr. Stenger: In your letter dated March 23, 2018, you requested a tariff classification ruling on a fiber optic

HS Code 90011090

Optical fibres, optical fibre bundles and cables (excl. made up of individually sheathed fibres of heading 8544 and image conductor cables)

Fiber junction box HS Code for Export & Import

HS Codes for imported Fiber junction box classify products in international trade, ensuring smooth customs clearance and accurate duty calculation. At Seair Exim Solutions, we help you

HS Code 8536908530

Use Flexport's free Search tool to find the tariff code to correctly classify your goods for customs.

Customs Ruling NY N331709

In your letter dated March 23, 2023, you requested a tariff classification ruling on behalf of Performed Line Products Company. There are five items under consideration with this request. The first is

HS Code for Junction Box Update July 2026

Find comprehensive Junction Box HS codes for international trade and customs classification with tariff codes for import-export compliance

HS Code 900110

Looking for HS codes? Use Flexport's free Search tool to find the tariff code to correctly classify your goods for customs.

Optical fiber distribution box HS Code for Export & Import

HS Code used for Optical fiber distribution box - Import HS Codes for imported Optical fiber distribution box classify products in international trade, ensuring smooth customs clearance and accurate duty

HTS Code for optical fibre box with connectors

Harmonized System Code (HS codes) or HTS Code and Tariff Classification for optical fibre box with connectors

fiber optic enclosures | HS Codes | Harmonized Tariff Code

Search results for fiber optic enclosures on HS-codes , including possible harmonized tariff and commodity code matches.

Customs Ruling NY N335476

In your request, you state that the correct classification for the subject junction box assemblies is under subheading 8544.42.9090, Harmonized Tariff Schedule of the United States (HTSUS).

Optical fiber distribution box HS Code for Export & Import

HS Codes for imported Optical fiber distribution box classify products in international trade, ensuring smooth customs clearance and accurate duty calculation. At Seair Exim Solutions, we help you
