

Gabonese manufacturer of fiber optic cables for smart buildings

Overview

YOA Cable, Africa's largest optical fibre cable manufacturer, is known for delivering world-class optical fibre products and exceptional customer service. Zion Communication offers a complete range of indoor fiber optic cables for structured building cabling. We anticipate market needs, innovate and constantly refine our manufacturing processes and products to deliver faster speeds and more flexible. The Group called on GEKA Telecom, its long-standing partner, to deploy a private 4G LTE network to enable these services. We have set up a fully secure private 4G LTE network, offering speeds in excess of 100 Mbit/s. In addition, we have. FiberCO was established in 2012 and has since specialized in fiber optic telecommunications, boasting 15 years of expertise within the broader telecom industry. From consulting to supplying top-quality accessories, we're your trusted partner in Africa.
