

Huijue Optical Cable Actual Product

AI Overview

Huijue Optical Cable specializes in fiber optic components, integrated cabinets, outdoor communication equipment, and ODN products for telecom and industrial applications.

Fiber Optic ComponentsHuijue offers a wide range of fiber optic components, including active connectors, optical splitters, adapters, transceivers, couplers, and fiber optic cables. These components are designed for high-speed data transmission and are suitable for FTTX solutions, data centers, and digital integrated network systems.

Integrated Cabinets and BoxesThe company manufactures integrated cabinets and boxes, such as optoelectronic integrated boxes, integrated monitoring boxes, and power control cabinets. These products are used to centralize and manage network equipment efficiently, providing both protection and monitoring capabilities.

Outdoor Cabinets and Equipment RoomsHuijue produces outdoor communication cabinets, OLT equipment cabinets, ETC intelligent cabinets, and prefabricated equipment rooms. These solutions are designed for outdoor deployment, offering durability and environmental protection for telecom infrastructure.

ODN (Optical Distribution Network) ProductsTheir ODN product line includes jumperless optical cross-connect cabinets, optical fiber distribution boxes, and optical cable joint closures. These products are essential for fiber optic network distribution, ensuring reliable connectivity and easy maintenance.

Additional SolutionsHuijue also provides customized solutions for telecom operators and industrial clients, including FTTX solutions, digital integrated site power solutions, and data center network solutions. They support OEM/ODM services and can supply products in small quantities or as samples for testing.

ApplicationsHuijue's products are widely used in fiber communication networks, LAN & Ethernet management, campus networks, intelligent districts, electronic government projects, and industrial sectors such as finance, petroleum, railway, and medical treatment. Their products...
