

Indonesian Long-Span Cable Tray Company

Overview

Indonesian manufacturer of cable tray, ladder, trunking & lighting fixtures. Wiremesh, also known as Cable Cage is a welded steel tray for durable, flexible cable management with excellent airflow and easy installation. Conduit pipes protect cables from damage, moisture, and external interference. Available in mild steel, stainless steel, and FRP materials, our trays are designed for efficient cable management and long-term reliability

What is a Cable Tray System?

Per the. The workhorse of modern Indonesian construction — a ventilated, return-flanged steel tray that supports a building's power, data, and services runs from the service void out. With Indonesia's ambitious Jokowi-era infrastructure boom—from the new capital Nusantara (IKN) to vast energy and telecommunications expansions—the demand for robust, reliable cable management has never been higher.
