

Lebanese suppliers of medium and low voltage complete sets of equipment

AI Overview

Key Lebanese suppliers of medium and low voltage complete electrical equipment include Maalouf Electric, Harb Electric, Al-Bonian Group, Horizon Power Solutions, and IMATEL S.A.R.L. Leading Suppliers

Maalouf Electric Maalouf Electric is a prominent supplier in Lebanon, offering a wide range of electrical solutions through over 20 international brands such as Famatel, AVe, IDE, BPT, Vemer, and Megaman. They serve industrial, commercial, and consulting sectors, providing medium and low voltage equipment, distribution networks, and electrical components across Lebanon and the Middle East.

Harb Electric With over 50 years of experience, Harb Electric delivers integrated electrical, automation, and lighting solutions. Their offerings include low and medium voltage switchgear, breakers, transformers, and complete power distribution systems. They also provide renewable energy solutions, smart control automation, and EV charging infrastructure, making them a versatile partner for industrial, commercial, and residential projects.

Al-Bonian Group Al-Bonian Group specializes in industrial electrical equipment and has been active for over 38 years. They focus on low and medium voltage apparatus, panel building, and automation systems. The company represents international brands like Phoenix Contact, Terasaki, Rittal, Klauke, and Greenlee, providing high-quality, cost-effective solutions for engineering and industrial applications.

Horizon Power Solutions (HPS) HPS is an engineering company that designs and executes medium-voltage systems up to 36 kV, along with complete MEP (Mechanical, Electrical, Plumbing) solutions. They offer electrical panels, generators, capacitors, and low-voltage switchboards, with experience in large-scale projects in Lebanon, Iraq, and West Africa.

IMATEL S.A.R.L. IMATEL provides a range of electrical solutions including low and medium voltage s...
