

Manufacturer s Integrated Wiring Box Cabinet 10kW

Overview

* Rated power: 10KW, output channel number: 3 * The input voltage of the electric box is AC 380V $\pm$ 15%, and the power frequency is 50Hz. It has protection functions such as overvoltage, surge, short circuit, overcurrent, overload and leakage protection. All Companies and suppliers for 10kw-export-integrated-wiring-cabinet ✓ Find wholesalers and contact them directly ✓ Leading B2B marketplace ► Find companies now! 22 Companies and suppliers for 10kW+Export+Integrated+Wiring+Cabinet ✓ Find wholesalers and contact them directly ✓ Leading B2B marketplace ► Find companies now! The PLC intelligent power distribution box is equipped with PLC as the intelligent control unit along with monitoring sensors to realize the external environment monitoring and real-time control of abnormal conditions. It can work compatibly with electronic computers for remote. Small size, light weight, convenient and fast installation and maintenance, multi-channel output, strong compatibility, and high flexibility. * Built-in lightning arrester, with lightning. Low voltage AC/DC integrated cabinet 20KWh+10KW- Industrial & Commercial Energy Storage System-IYPOWER is a professional energy storage system manufacturer, providing industrial & commercial energy storage, residential energy storage, lithium battery solutions and OEM/ODM customization services to.
