

Mauritius Large Span Cable Tray Company

AI Overview

Key suppliers of long-span cable trays in Mauritius include MRC Wire Products Ltd and Brikonek, offering perforated and galvanized steel systems for industrial and commercial applications. Major Suppliers

1. MRC Wire Products Ltd Founded in 1975, MRC Wire Products Ltd is a well-established company in Mauritius and a member of the Desbro Group of Companies. They supply a variety of cable trays suitable for long-span installations, including perforated and ladder-type trays for electrical, telecommunications, and industrial projects. Their products are designed to support heavy cable loads and ensure proper ventilation and safety.
2. Brikonek Brikonek offers hot-dip galvanized perforated cable trays made from steel plates, providing excellent corrosion resistance and durability. These trays are suitable for horizontal and vertical cable laying, including power, control, and communication cables. The perforated design enhances heat dissipation and reduces signal interference, making them ideal for long-span applications in construction, chemical, and telecom industries.

Additional Resources

Trademo provides a directory of cable tray manufacturers and suppliers in Mauritius, including shipment details, trade volumes, and global exporter insights. This platform is useful for discovering new suppliers and comparing product offerings.

Business Yellow Pages Mauritius lists cable tray manufacturers and suppliers, allowing users to identify local companies and contact them directly for quotes and specifications.

Mauritius Yellow Pages also provides a categorized list of cable tray suppliers, which can help in locating specialized long-span solutions.

Considerations for Long-Span Cable Trays

When selecting a supplier for long-span cable trays, consider:

- Material and coating: Hot-dip galvanized steel offers superior corrosion resistance.
- Tray type: Perforated trays improve ventilation...
