

Middle East hot-dip galvanized cable tray manufacturers

AI Overview

Top hot-dip galvanized cable tray brands in the Middle East include Emerald Steel Industries, BonnGulf, DANA Steel, and Tamco, offering durable, corrosion-resistant solutions for industrial and commercial projects. Leading Brands and Suppliers Emerald Steel Industries LLC (UAE) Based in Ajman, Emerald Steel Industries manufactures and supplies a wide range of cable trays, including hot-dip galvanized trays and ladders. Their products are available in light, medium, heavy, and extra-heavy duty with standard 3-meter lengths. They provide full engineering support, AutoCAD and PDMS design assistance, and comply with international quality standards for oil, gas, and industrial projects in the Middle East. BonnGulf (Dubai, UAE) BonnGulf specializes in hot-dip galvanized cable trays and ladders engineered for durability and corrosion resistance. Their in-house galvanization facility ensures high-quality zinc coating, protecting steel from rust, moisture, and mechanical damage. BonnGulf products are suitable for harsh environments and large-scale industrial applications, with compliance to international standards. DANA Steel (UAE, Oman, Saudi Arabia) DANA Steel manufactures cable trays in hot-dip galvanized, pre-galvanized, stainless steel, and aluminum finishes. Their trays meet BS EN ISO 1461:1999 for hot-dip galvanizing and IEC/NEMA standards for safe installation. They offer light, medium, and heavy-duty trays, powder-coated or epoxy-coated options, and export across the Middle East and Africa. Tamco Middle East Ltd Tamco produces cable trays in standard 3-meter lengths with hot-dip galvanized finishes compliant with BSEN ISO 1461:1999. They also offer aluminum and stainless steel trays with powder or epoxy coatings. Their product range includes light, medium, and heavy-duty trays, suitable for networking, commercial, and industrial applications .P...
