

Myanmar manufacturers of complete electrical distribution boxes

AI Overview

Key manufacturers in Myanmar include Pacific Electric Co., Panel Z Electric, Legrand Myanmar, and IEM Myanmar, offering a range of electrical distribution solutions. Pacific Electric Co., Ltd. focuses on improving and modifying distribution systems in Myanmar. They import high-quality, reliable products and supply them to government utilities and private industries. In addition to distribution boxes, they are involved in electrical project implementation and the production of concrete electric poles, providing comprehensive solutions for electrical infrastructure development in Myanmar. Panel Z Electric Co., Ltd. Founded in 2018, Panel Z Electric specializes in fabricating electrical switchboards, distribution boards, control panels, HV switchgear panels, and metal enclosures. They operate a 6,400 sqft advanced manufacturing facility equipped with precision machinery for design, fabrication, assembly, and testing. Panel Z Electric provides turnkey solutions for motor starters, switchboards, and power distribution & control panels, catering to factories, hotels, hospitals, commercial, and residential projects. Legrand Myanmar Legrand Myanmar offers a wide range of wiring devices, electrical enclosures, and connected solutions for residential, commercial, and industrial projects. They provide technical documentation, distributor contacts, and product support, making them a reliable choice for standardized electrical solutions in Myanmar. IEM Myanmar IEM Myanmar is an international trading and distribution company providing industrial and engineering electrical products, including power generation and distribution systems, lighting, cabling, and control solutions. They offer engineering design, installation, commissioning, and maintenance services, making them a one-stop provider for power and distribution solutions. SummaryFor...
