

New Energy Charging Box and Distribution Box Manufacturer

AI Overview

Leading manufacturers of new energy charging and distribution boxes include BENY, Anengji (ENERGYSPLENDOR), Zhejiang Benyi New Energy, Solarc New Energy, and MAIJA, offering certified, high-quality solutions for EV charging, solar PV, and energy storage systems.

Key Manufacturers and Offerings

- 1. BENY** BENY specializes in DC protection products, EV charging stations, and solar PV solutions. Their product line includes custom solar combiner boxes (500–1500V DC), AC EV chargers with dynamic load balancing, and DC fast chargers up to 600 kW. BENY emphasizes intelligent switching between off-grid and on-grid modes, module-level monitoring, and rapid shutdown devices certified under UL, SAA, CB, CE, TUV, UKCA, ISO, and RoHS standards, ensuring reliability and safety in harsh environments.
- 2. Anengji (ENERGYSPLENDOR)** Founded in 2022, Anengji focuses on super-fast EV charging stations for commercial and household use. Their R&D team of over 30 professionals develops charging station products with global reach, including the United States, Russia, India, and more. They provide OEM and custom solutions, and their products are trusted by major brands like CHINT, ABB, State Grid, and Wallbox. Anengji emphasizes energy efficiency, carbon reduction, and lifecycle services.
- 3. Zhejiang Benyi New Energy** Established in 2011, Zhejiang Benyi manufactures protective components for PV systems, EV chargers, DC circuit breakers, and PV combiner boxes. Their products comply with ISO, RoHS, and CE standards and are used in residential, commercial, and automotive energy systems. They provide rapid shutdown devices and DC protections to ensure safety and compliance with the latest DC standards.
- 4. Solarc New Energy** Wenzhou Solarc New Energy Technology produces DC fuses, DC surge protectors, DC circuit breakers, photovoltaic combiner...
