

Optical module company in Bangladesh

AI Overview

Bangladesh hosts a range of optical module manufacturers, importers, and suppliers, including SKY PFM LIMITED, OptiMax, and several local optical product companies. Key Companies and Suppliers

1. SKY PFM LIMITED SKY PFM LIMITED specializes in manufacturing, developing, and exporting communication equipment, including fiber optic modules such as SFP optical transceivers, CWDM optical transceivers, and bi-directional optical transceivers. Their products feature high integration, low failure rates, electromagnetic shielding, and compliance with ROHS standards, suitable for high-speed data transmission and telecommunications applications.
2. OptiMax OptiMax is a broadband Internet Service Provider in Bangladesh that also provides optical network solutions. They offer fiber optic connectivity and dedicated bandwidth services, supporting both corporate and individual clients with high-speed internet infrastructure.
3. Local Optical Product Manufacturers Bangladesh has over 100 verified optical product manufacturers, including companies like Mabia Optic, Essilor Bangladesh, Disha Eye Care, and Nayanara Eye Hospital. These companies produce optical instruments, lenses, and components for healthcare and telecommunications applications.
4. Importers and Distributors Several companies import optical modules into Bangladesh, providing access to international products. These importers maintain directories of buyers, shipment details, and product specifications, facilitating procurement of optical transceivers and modules.
5. Cabling and Fiber Optics Companies Other notable companies in the fiber optics sector include TRADE LINKERS OFFICE AUTOMATION LTD and similar verified cabling and fiber optics firms. They provide installation, distribution, and maintenance services for optical networks.

.Considerations for Choosing a Supplier

Product Type: Ensure the company provides the specific optical module or transceiver type required (e.g., SFP, CWDM, single-mode, multi-mode).

Quality Standards: Look for compliance with international stand...
