

Pakistan Steel Fireproof Cable Tray Manufacturer

AI Overview

Leading manufacturers in Pakistan for durable, fire-resistant cable trays include EPEPK, IES, Techtray, and Alfazal Engineering, offering ladder, perforated, wire mesh, and solid bottom systems. Top Manufacturers and Their Offerings EPEPK is a trusted cable tray manufacturer in Pakistan, supplying high-quality cable tray systems for industrial, commercial, and electrical infrastructure projects. They offer perforated, ladder, wire mesh, and solid bottom trays, designed for durability, safety, and long-term performance. EPEPK serves major cities including Lahore, Karachi, Faisalabad, and Islamabad, and provides installation guidance and support for safe and compliant cable tray systems. IES Manufacturing Pakistan (IESPK) produces ladder-type and perforated cable trays in Galvanized Iron (GI), Stainless Steel (SS), Aluminum, and powder-coated finishes. Their products are suitable for heavy industrial sectors such as power generation, chemical processing, and petroleum, ensuring fire resistance and structural reliability. IES also supplies accessories like supports, J-bolts, and corner fittings. Techtray specializes in high-quality cable trays and street lighting poles, emphasizing corrosion resistance and long-term reliability. Their cable trays are engineered for industrial, commercial, and residential projects, providing safe routing and protection of electrical cables under extreme conditions. Alfazal Engineering and Alfazal Industry manufacture a wide range of cable trays, including ladder, perforated, solid bottom, and wire mesh types. They offer hot-dip galvanizing and other protective finishes, enhancing fire resistance and durability. Alfazal also provides complete installation services, accessories, and compliance with safety standards, making them suitable for large-scale industrial and commercial projects.
