

Price of Telecommunication Optical Cable Binding Wire

Overview

As of recent market analysis, the price range for OPGW cables is generally between RMB 10,000 to RMB 30,000 per kilometer. CRU provides comprehensive, accurate and up-to-date price assessments and research reports for bare optical fibre across various key regional markets, combined with insights into the factors and events affecting markets. CRU's unique services are the product of both our in-depth understanding of. Galvanized Iron Construction: This tie wire is manufactured from galvanized iron with a PVC coating to provide rust proof performance and resistance against erosion in indoor and outdoor environments. Dimensions and Specifications: Each roll features a 0. They serve a dual purpose: providing grounding and lightning protection for power lines while also offering high-speed data transmission capabilities. Price and other details may vary based on product size and color. We get technical, so you can search with confidence!.
