

Price quote for complete electrical distribution boxes in Congo

AI Overview

High-quality electrical distribution boxes in the DRC typically range from \$50 to \$500 per unit depending on material, size, and features, with local suppliers like Congo Energy and Congo Cables & Transformers offering tailored solutions.

Supplier Options in the DRC

- Congo Energy:** Offers bespoke electrical infrastructure, including distribution boxes for industrial and commercial applications. They provide high-quality products compliant with ISO 9001, ISO 14001, and ISO 45001 standards, ensuring durability and safety. Pricing is competitive and depends on specifications, customization, and installation requirements.
- Congo Cables & Transformers:** Produces and supplies electrical enclosures, transformers, and related power solutions from Lubumbashi. They focus on high-quality, reliable products suitable for residential, commercial, and industrial use.
- International Suppliers:** Provides custom metal enclosures, including aluminum and stainless steel distribution boxes with IP65 ratings for outdoor use. They accept technical drawings and offer detailed quotes including lead time and shipping to the DRC.
- Alibaba Suppliers:** Offer a wide range of distribution board boxes made from steel, aluminum, or high-grade thermoplastics. Prices vary based on material, IP rating, number of circuits, and smart features like IoT integration.

Price Considerations

- Residential Units:** Typically \$50–\$150 per unit for single-phase or small three-phase boxes made from thermoplastics or light metals.
- Commercial/Industrial Units:** \$200–\$500 per unit for robust steel or aluminum enclosures with multiple circuits, IP65 or higher ratings, and advanced safety features.
- Customization:** Custom sizes, materials, or smart monitoring features can increase the price. International shipping and import duties should also be considered when sourcing from overseas suppliers.
