

Quotation for Dutch Mesh Cable Tray Crossarms

AI Overview

You can request a quotation for Dutch mesh cable tray crossarms directly from suppliers like Eurostrut, RS Components, Trayco, and Niedax Group in the Netherlands. Supplier Options Eurostrut (Pemsa Rejiband Wire Trays) Eurostrut is the official supplier of Pemsa Rejiband wire trays in the Netherlands. Their wire trays feature E90 fire function retention, optimal ventilation, and a tool-free click installation system, which saves time and ensures safety. You can request a quote directly via their webshop for crossarms and other accessories. RS Components RS offers a wide range of cable trays, including wire mesh and cable baskets suitable for various installations. You can browse their catalog and request a quotation online for specific crossarm sizes and configurations. Trayco Trayco provides cable trays with integrated ends, designed for lightweight, high-capacity, and easy assembly. They offer customized solutions and project-specific quotations, which can be requested through their website. Niedax Group Niedax supplies steel, aluminum, PVC, and GRP cable management systems, including wire mesh trays. They provide technical consulting, planning, and installation support, making them suitable for complex projects. Quotations can be requested through their local Dutch office, Gouda Holland B.V. Recommendations Specify dimensions and load requirements when requesting a quote to ensure accurate pricing. Check certifications such as E90 fire rating if required for safety compliance. Consider installation features like tool-free assembly or integrated ends for efficiency. Request multiple quotes to compare pricing, lead times, and delivery options. For the most accurate quotation, contact the suppliers directly through their websites or local offices, providing details of the required crossarms, quantity, and project specifications.
