

Salvadoran Industrial Ring Network Switch Manufacturer

AI Overview

Maisvch is a leading Salvadoran manufacturer of industrial network switches and communication solutions for IIoT and Industry 4.0 applications. Key Salvadoran Manufacturer Maisvch offers a wide range of industrial networking products, including:

- Industrial Ethernet switches: Layer 2/3 managed and unmanaged, PoE, DIN-rail, and Industrial 10G switches
- PoE switches: Delivering up to 90W per port with IEEE 802.3bt compliance
- Ruggedized solutions: Designed for extreme environments with M12 connectors, TSN time-sensitive networking, and PTP precision timing
- Serial-to-Ethernet converters: For integrating legacy RS232/RS485/RS422 devices into modern networks
- 4G/5G routers and WiFi APs: Industrial-grade cellular and wireless solutions with MIMO antenna technology

Maisvch products are certified for coal mining, rail transit, and power grid applications, ensuring reliability in mission-critical industrial environments. They also provide OEM/ODM services, bulk sales, and customized project solutions for industrial clients.

Additional Resources For a broader list of Salvadoran manufacturers and suppliers, ExportHub provides a directory connecting local manufacturers with international buyers. This platform can help identify additional suppliers of industrial network switches and related equipment in El Salvador.

Summary If you are looking for industrial network switches in El Salvador, Maisvch is a primary manufacturer offering rugged, certified, and high-performance solutions suitable for IIoT and industrial automation. For further sourcing, ExportHub can help locate additional Salvadoran suppliers and manufacturers.

Article Content

Industrial Ethernet

PLANET Industrial Ethernet equipment is compliant with various industrial protocols and ITS certifications such as MQTT, Modbus, SCADA, EtherCAT EN50155 and E-Mark to meet all the

Ring switch

Find your ring switch easily amongst the 9 products from the leading brands (COMITRONIC - BTI, barantech, Yikia, ...) on DirectIndustry, the industry

AMG570 Industrial Managed PoE Ethernet Network Switch

The AMG570 Series of Industrial Managed switches support 100Mb, 1Gb or 10Gb Ethernet, with port counts from 4-52, and with optional 30W, 60 or 90W PoE

Industrial Lan switch how to group ring network

September 19, 2024 Industrial Lan switch how to group ring network In the industrial Internet of Things, the Industrial Lan Switch group ring network is an important network architecture method that can

Industrial Ethernet Switches | Industrial Network Switch

Rugged, yet easy to use, Perle has over 734 models of Ethernet switches that feature Industrial Protocol Management support, superior reliability, advanced

Home-North America

Full-Gigabit Industrial Ethernet Switches with 10G Uplink Designed to accommodate diverse networking needs, the switches offer a versatile mix of ports to ensure high-speed data transmission from field

Industrial Ring Networks | ERPS | Antaira Technologies

The ITU-T G.8032 Ethernet Ring Protection Switching (ERPS) is an open-standard layer 2 Ethernet protocol designed to detect and prevent switching loops from occurring. Originally developed by the

Industrial Network Products

We offer network and security solutions to connect your automation products to each other and to the rest of your enterprise.

How Industrial Switches Build Industrial Ring Networks

Scalability is another crucial aspect of industrial switches in ring networks. As industrial operations expand, the network infrastructure must be able to accommodate additional devices and

Home-North America

ORing delivers industrial networking, edge AI, and IEC 62443 cybersecurity solutions for railway, power, factory automation, and smart city applications.

Industrial Ethernet Switch

ORing offers a comprehensive portfolio of rugged industrial Ethernet switches, from cost-effective unmanaged and PoE models to advanced Layer 2/3 managed switches enabling precise control. Our

Industrial Ethernet Switch & Managed PoE Switch

ISO9001 manufacturer of rugged industrial ethernet switches. Get reliable L2 managed & PoE switches for harsh environments (-40 to 85°C). Request a quote!

Company Profile

Over the years, ORing has accumulated abundant experience in the wired and wireless network communications industry. In line with the commercialization of 5G, ORing has expanded into the IIoT

Industrial Switch: Understanding Industrial Ethernet

An industrial Ethernet switch is a type of network switch designed to operate in harsh industrial environments. Oil rigs, railways, manufacturing plants, and

B& H Photo Video Digital Cameras, Photography, Computers

Explore the world's largest independent electronics store for exceptional service, friendly support, and technological expertise for all your multimedia needs.

MetTel | Business Telecom Voice, Network & Mobility

MetTel is a leading provider of integrated voice, data, network, cloud, and mobility IT solutions for businesses and government nationwide.

COME-STAR Communication

Connecting the World, Bridging the World As one of China's top 3 industrial communication company, COME-STAR combines strong R& D capability, large

19 Industrial Ethernet Switch Manufacturers in 2026 | Metoree

This section provides an overview for industrial ethernet switches as well as their applications and principles. Also, please take a look at the list of 19 industrial ethernet switch manufacturers and their

Industrial network switch

Find your industrial network switch easily amongst the 1,146 products from the leading brands (Hilscher, Volktek, Maisvch, ...) on DirectIndustry, the industry

DIN Rail Switch | Industrial Ethernet Switches | Perle

DIN Rail Ethernet Switches 5 to 10 Port Industrial Grade Switches Perle DIN Rail Network Switches are specifically designed to connect devices in network environments that are subject to extreme

Industrial Ethernet Switch & Managed PoE Switch

AOA Technology has been continuously dedicated to Industrial Network Switches with more than ten years of experience. We can provide a One-Stop solution,

Real-time Redundant Ring Switch Industrial Ethernet Switch

Introduction The Real-time Redundant Ring Switch offers fault-tolerant industrial Ethernet with ring network topology. The built-in ICP DAS proprietary Cyber-Ring technology detects and recovers from

Network Switches Manufacturers and Suppliers | GlobalSpec

Discover 709 Network Switches manufacturers and distributors on GlobalSpec. Find products, technical articles, videos, and more.
