

Singapore Manufacturer Distribution Box

AI Overview

Singapore offers a wide range of distribution box manufacturers, including metal, plastic, and fibre optic enclosures, suitable for industrial, commercial, and telecommunication applications. Key Manufacturers and Suppliers:

1. **Asiatic Group** – Specializes in enclosures and distribution boards for low-voltage electrical systems. Their products include thermoplastic polystyrene and polycarbonate distribution boxes with IP65 to IP67 protection, UV resistance, corrosion resistance, and flame-retardant properties. They offer solutions for building installations, industrial facilities, hazardous areas, marine environments, and solar PV systems.
2. **Sunlink Engineering Pte Ltd** – Provides custom-fabricated metal DB boxes for electrical and control systems. They use mild steel, stainless steel, or galvanised steel with CNC laser cutting, bending, and welding. Options include hinged or removable doors, cable entry knockouts, ventilation louvers, and weatherproof features. Applications cover industrial machinery, marine equipment, water treatment, and building services.
3. **Norden Communication** – Offers FTTH fibre distribution boxes and fibre optic metal distribution boxes. Their products are suitable for outdoor wall-mounted or pole-mounted applications, with IP65 protection, modular design, and compliance with EN and IEC standards. They support optical fibre splicing, distribution, and telecommunication networks.
4. **The Enclosure People Pte Ltd** – Distributes electrical and instrumentation enclosures from reputable manufacturers in Singapore, Europe, and Asia. They provide hazardous area boxes, local control stations, distribution boards, and custom metal fabrication for industrial and infrastructure projects.
5. **BSE Electrical Supplies Pte. Ltd** – Supplies metal distribution boxes for electrical installations, offering standard and custom sizes with robust construction suitable for industrial and commercial applications.
6. **Albert Hoo / Kripal Enclosures** – Manufactures metal enclosures with IP55/IP65 protection, using cold-rolled steel or...
