

Smart Cable Tray Manufacturer

AI Overview

Leading smart cable tray manufacturers include Nordic Wire Tray, ABB, Atkore International, and Unitrunk, offering innovative, customizable, and high-quality cable management solutions.

Key Manufacturers

1. **Nordic Wire Tray (NWT)** Nordic Wire Tray specializes in smart, flexible, and customizable cable management systems. Their X-Tray product line offers the widest range of cable trays with various surface treatments, long spacing between support brackets, and easy installation using minimal tools. NWT emphasizes adaptability for unique project requirements, fast delivery, and high-quality standards, making it suitable for demanding industrial and IT environments.
2. **ABB** ABB manufactures a comprehensive range of cable tray systems, including perforated trays, cable ladders, channel trays, and strut framing. Their systems are designed for medium to ultra-heavy duty applications, ensuring reliability, adaptability, and ease of maintenance. ABB's global production facilities in Canada and Saudi Arabia allow rapid response to project timelines and support for large-scale installations.
3. **Atkore International** Atkore International provides industrial cable management solutions, including standard and custom roll-formed cable trays. They offer galvanized, waterproof, and fiberglass options, catering to diverse industrial and commercial needs. Atkore emphasizes product quality, extended warranties, and global distribution, making them a trusted choice for infrastructure and construction projects.
4. **Unitrunk** Unitrunk is known for its Rapid Installation System (RIS) products, designed to save time and reduce installation costs. Their innovative cable management solutions are widely used in commercial and industrial projects, offering efficient, high-quality support systems for various cabling needs.
5. **Other Notable Manufacturers** In Germany and Europe, companies like Belden, OBO Bettermann, Rosenberger OSI, KABELSCHLEPP®, and PFLITSCH provide specialized cable support systems and modular tray solutions for high-densi...
