

Spectrometer Brand Manufacturers

AI Overview

Leading spectrometer manufacturers include Thermo Fisher Scientific, Agilent Technologies, Anton Paar, Max. SPECTRO, B&W Tek, and AMETEK, offering a wide range of analytical and portable solutions. Global Leaders

Thermo Fisher Scientific: Offers advanced mass spectrometry and molecular spectroscopy systems with AI-driven software integration and modular platforms, serving pharmaceutical, environmental, and biomedical applications.

Agilent Technologies: Known for high-performance benchtop and portable spectrometers, emphasizing workflow efficiency, user-friendly software, and sustainable design.

Anton Paar: Specializes in near-infrared and Raman spectrometers, focusing on portable, robust devices for in-process monitoring and quality control in food, chemical, and oil & gas industries.

Specialized and Regional Manufacturers

Max. SPECTRO: Provides handheld and automated spectrometers for metal recycling and elemental analysis.

B&W Tek: Delivers Raman spectrometers designed for mobile, affordable, and rapid analysis in pharmaceutical, biomedical, and safety sectors.

Spectrometer Technologies: Focuses on high-end spectrometers for mining and mineral analysis, particularly in Sub-Saharan Africa.

Ibsen Photonics: Develops grating-based spectrometer modules, offering both standard and customized solutions with high sensitivity.

AMETEK, Inc.: Manufactures advanced analytical instruments, including spectrometry solutions for diverse industrial applications.

U.S. and North American Suppliers

Directories list over 100 spectrometer manufacturers in the United States, providing options to filter by location, product type, and capabilities. These suppliers serve industries such as aerospace, pharmaceuticals, environmental monitoring, food processing, and semiconductor manufacturing. Many offer custom-built instruments, process analyzers, and spectrophotometers suitable for both laboratory and field applications.

Considerations for Selection

When choosing a spectrometer manufactur...

Top 10 Leading Spectrometers Companies to Watch in 2025 and

Explore the spectrometers market's most influential companies driving innovation, competitive performance, and industry trends in 2025–2030.

Mass Spectrometers Manufacturers and Suppliers | GlobalSpec

Discover 127 Mass Spectrometers manufacturers and distributors on GlobalSpec. Find products, technical articles, videos, and more.

Top 10 Global Mass Spectrometer Manufacturers for 2026

In the rapidly evolving field of analytical science, mass spectrometer manufacturers play a pivotal role in advancing research and industrial applications. This article highlights the top 10 global

26 Raman Spectrometers Manufacturers From around the world

26 Raman Spectrometers Manufacturers From around the world Tip: Select a quick entry below to view selected raman spectrometers manufacturers by industry or country.

Top 100 Spectrometer Manufacturers in 2026 | ensun

Discover all relevant Spectrometer Manufacturers worldwide, including Spectro Analytical Instruments Inc. and B& W Tek

Mass spectrometer, MS spectrometer

Find your mass spectrometer easily amongst the 73 products from the leading brands (analytik jena, Waters, Thermo Fisher, ...) on MedicalExpo, the medical

Top 7 Spectrophotometer Companies in the Global Market

Explore the top companies, shaping the global spectrophotometer market in 2025, led by Agilent Technologies, Thermo Fisher Scientific Inc.,

Spectrophotometers Manufacturers List

Descriptions of spectrophotometer types and applications for absorbance, transmittance, and concentration measurements in lab analysis.

Atomic absorption spectrometer

Find your atomic absorption spectrometer easily amongst the 30 products from the leading brands (SPECTRO, Shimadzu, Agilent, ...) on DirectIndustry, the

Spectrometers

A Spectrometer is a scientific instrument used to measure and analyze the properties of light over a specific portion of the electromagnetic spectrum. Spectrometers from the leading manufacturers are

Spectrophotometer

Find your spectrophotometer easily amongst the 329 products from the leading brands (Thermo Fisher, Mettler Toledo, X-rite, ...) on DirectIndustry, the industry specialist for your professional purchases.

Elemental Analysis Solutions & Analytical Instruments | SPECTRO

SPECTRO is a preferred manufacturer in many industries, such as metals, chemicals, petrochemicals, environmental, pharmaceuticals, geology, food and more. Our analytical solutions help achieve

5 Best Spectrometer Manufacturers in 2025

Spectrometers are essential measurement devices in industries ranging from food and beverage to pharmaceuticals. These tools measure the

Top 10 Spectrometer Brand & Manufacturers

Top 10 Spectrometer Brand & Manufacturers This section provides a list of the top 10 Spectrometer manufacturers, Website links, company profile, locations is provided for each company.

Spectrometer Manufacturers

A Spectrometer is a scientific instrument used to measure and analyze the properties of light over a specific portion of the electromagnetic spectrum. The leading manufacturers of Spectrometers are

24 Optical Emission Spectrometer Manufacturers in 2026

This section provides an overview for optical emission spectrometers as well as their applications and principles. Also, please take a look at the list of 24 optical emission spectrometer manufacturers and

All FTIR spectrometer manufacturers at a glance

The list of FTIR spectrometer manufacturers is long. But hardly any page on the internet actually offers a complete overview of the suppliers on the market. We can help: here you will find all the

SHIMADZU CORPORATION

Since 1875, Shimadzu is pursuing leading-edge science and technologies in analytical and measuring instruments including chromatographs and mass

Spectrometers – Buyer's Guide & Supplier List | RP

This buyer's guide for spectrometers provides technical background, comparison of major types, selection criteria, and an overview of suppliers.

Top 7 Spectrophotometer Manufacturers Market Share

VMR's Q1 Spectrophotometry Report: Analyze the 7 leading manufacturers by market share (22% leader), tech scalability, and growth

20 FTIR Spectrometer Manufacturers in 2026

20 FTIR Spectrometer Manufacturers in 2026 This section provides an overview for ftir spectrometers as well as their applications and principles. Also, please take a look at the list of 20 ftir spectrometer

32 Spectrum Analyzer Manufacturers in 2026

32 Spectrum Analyzer Manufacturers in 2026 This section provides an overview for spectrum analyzers as well as their applications and principles. Also, please take a look at the list of 32 spectrum
