

UAE stranded optical cable manufacturer

AI Overview

Norden Communication is a leading manufacturer and supplier of stranded loose tube fiber optic cables in the UAE. Key Manufacturer: Norden Communication. Norden Communication specializes in stranded loose tube fiber optic cables, which are designed for high-performance telecommunications and data networks. These cables feature multiple tubes filled with water-blocking jelly, supporting up to 72 fiber strands, and include central strength members for enhanced durability and tensile strength. The cables are suitable for outdoor and long-distance installations, providing reliable protection against environmental factors such as moisture and mechanical stress.

Other Notable Fiber Optic Cable Manufacturers in the UAE:

- Several other companies in the UAE manufacture or supply fiber optic cables, including stranded types, offering a range of products for different applications:
- HELUKABEL:** Offers fiber optic cables, coaxial cables, and video cables, with ISO9001 certification and advanced production/testing equipment.
- Norden:** In addition to stranded cables, provides patch cords, network cabinets, and related accessories, adhering to high-quality standards.
- GEC (Global Emirates Cables & Systems Industries):** Produces outdoor, aerial, and indoor fiber cables with customization options and end-to-end solutions.
- DME Prolink:** Supplies optical fiber cables, patch panels, and keystone jacks, meeting ISO/IEC and ANSI/TIA standards.
- Arabian Fiber Optic Cable Manufacturing LLC (AFOC):** Manufactures 900µm tight buffered fibers, armored fiber optic cables, and ADSS cables for medium to long-span applications.
- NAFICON:** Offers fiber optic cables, patch cords, panels, and cabinets, with ISO9001 certification and experience in telecom and data center projects.

Applications and Advantages

Stranded loose tube fiber optic cables are widely used in:

- Telecommunications networks for high-speed data transmission
- Long-haul and outdoor installations due to water-blocking and tensile strength features
- Utility and i...
