

Uganda Small Busbar Manufacturers

AI Overview

Key small busbar manufacturers in Uganda include Tronic Uganda Limited, Arc Control Ltd, Legrand Uganda, and Metal Fort, offering a range of aluminum and copper busbar solutions. Notable Manufacturers and Suppliers

1. Tronic Uganda Limited Located in Kampala, Tronic Uganda Limited specializes in busbar chambers and electrical distribution solutions. They provide a variety of busbar products suitable for small to medium power applications, with a focus on quality and compliance with local standards (Tronic Uganda Limited, Kampala).
2. Arc Control Ltd Arc Control Ltd, also based in Kampala, is an ISO 9001:2015 certified company that designs and manufactures electrical switchboards, bus ducts, and busbars. They offer customized solutions for small and medium-scale industrial and commercial projects, ensuring reliable power distribution and safety (Arc Control Ltd, Kampala).
3. Legrand Uganda Legrand Uganda distributes Zucchini-manufactured busbars, including tinned aluminum and electrolytic copper options. Their products are suitable for small and medium industries, commercial buildings, and lighting distribution, with capacities ranging from 10A to 1000A. Legrand emphasizes compact design, flexibility, and compliance with IEC 61439 standards (Legrand Uganda).
4. Metal Fort Metal Fort operates in Western Uganda and specializes in high-quality aluminum busbars. They provide sheets, bars, and fittings for small-scale electrical projects, emphasizing durability, corrosion resistance, and prompt delivery. Their products are suitable for construction, engineering, and manufacturing applications (Metal Fort, Western Uganda).

Considerations for Selection

Material Type: Aluminum busbars are lightweight and corrosion-resistant, while copper busbars offer higher conductivity.

Current Capacity: Choose busbars rated for the required amperage, typically ranging from 10A to 1000A for small to medium applications.

Certifications: Look for ISO 9001 or IEC 61439 compliance to ensure qu...
