

Waterproof and sealed outdoor distribution box

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. Utilizing a heavy-duty transparent lid allows operators to inspect internal components effortlessly without opening the seal, ensuring continuous safety and reducing. These heavy-duty junction boxes provide a high-impact, UL-certified sanctuary for your critical connections. Built with durable materials, CE & ROHS certified. In outdoor and infrastructure projects, a waterproof electric distribution box ensures reliable and secure power. Our circuit breaker box, also known as a power distribution box.
