

What does w in the distribution box represent

Overview

When you see a code W in box 7 of your 1099-R, this specifically indicates a payment made from your annuity contract to purchase qualified long-term care insurance. Here's what that means for your tax return. Distribution Code W on Form 1099-R means your annuity or life insurance company deducted money from your contract's cash value to pay for a qualified. There's a distribution code W in box 7 which apparently has something to do with my long-term care insurance purchase from my annuity. For 2026, the W (minuscule: w) is the twenty-third letter of the Latin alphabet, used in the modern English alphabet, the alphabets of other western European languages and others worldwide. Its name in English is double-u, [in 1] plural double-ues. The name "double-u" reflects stages in the letter's. According to the IRS instructions, the following list explains the W-2 box 12 codes. Also includes deferrals under a SIMPLE retirement account that is part of a section 401 (k).
