

Where in Taiwan can I buy fireproof cable trays

AI Overview

You can find fireproof cable trays in Taiwan from specialized manufacturers like Qinkai and suppliers offering fire-resistant coatings and fiberglass trays. Key Suppliers and Manufacturers Qinkai System Co., Ltd. Qinkai offers FRP/GRP fiberglass fireproof cable trays suitable for indoor and outdoor use, supporting power cables below 10kV, control cables, and communication lines. Their trays are lightweight, corrosion-resistant, and designed for flexible installation in tunnels, overhead systems, and side-mounted applications. They provide adjustable widths, heights, and fully enclosed options for sensitive systems, ensuring both fire protection and mechanical strength.

Flamro Fire Protection Solutions Flamro provides fire protection coatings and tapes for cable trays, such as FLAMMOTECT-A and DG-CR 0.7, which form a protective shield around cables and trays. These solutions are suitable for high-risk environments like industrial plants, hospitals, airports, power stations, and nuclear facilities. They prevent flame propagation and maintain cable functionality during fire emergencies.

General Cable Tray Manufacturers in Taiwan Companies like Shen Fang and Brilltech Engineers manufacture a wide range of cable trays, including ladder, perforated, PVC, mild steel, and stainless steel trays. While not all are inherently fireproof, they can often be combined with fire-resistant coatings or materials to meet safety standards.

Considerations When Choosing Fireproof Cable Trays

- Material:** Fiberglass (FRP/GRP) trays are naturally fire-resistant and corrosion-resistant, while metal trays may require additional fireproof coatings.
- Installation Environment:** Ensure the tray type matches indoor/outdoor conditions, exposure to chemicals, or high humidity.
- Compliance:** Check for adherence to local fire safety standards and certifications for industrial or public infrastructure projects.
- Customization:** Many Tai...
