

Which company in Malta specializes in making electrical distribution boxes

AI Overview

Fabian Enterprises Ltd, Darmanin Supplies, and FBP Malta are key Malta-based manufacturers and suppliers of electrical distribution boxes. Fabian Enterprises Ltd offers a wide range of enclosures and boxes, including metal and plastic options suitable for electrical distribution applications. They provide both standard and custom solutions for residential, commercial, and industrial projects, ensuring compliance with local and international standards (Fabian Enterprises Ltd). Darmanin Supplies, formerly Power Electric, is a family-owned business in Malta that supplies distribution boards, protective devices, and other electrical accessories. They focus on high-quality products for residential, commercial, and industrial use, featuring brands like POLOMAX and FANSKI. Their offerings include distribution boards and enclosures designed for safety and reliability (Darmanin Supplies). FBP Malta manufactures and supplies electrical distribution boxes and related enclosures. Their product range includes solutions for various electrical installations, emphasizing durability and compliance with industry standards (FBP Malta). Additional Suppliers Other notable suppliers in Malta include AJ Electric, an official Siemens partner providing low-voltage electrical devices and distribution systems, and MCE Limited, which offers a broad range of electrical installation materials, including distribution boxes, lighting, and plumbing products (AJ Electric); (MCE Limited). These companies provide a combination of manufacturing, distribution, and technical support, making them reliable sources for electrical distribution boxes in Malta. Depending on your project requirements, you can choose between custom enclosures, standard distribution boards, or branded solutions from recognized suppliers.
