

Which company makes the best modular cable trays in Thailand

AI Overview

Top modular cable tray manufacturers in Thailand include SMC Siam, Niedax Thailand, TIC Modular System, and United Manufacturing Co., Ltd., all known for high-quality products and advanced production capabilities.

Leading Companies

SMC Siam
Established in 1991, SMC Siam is a leading expert in cable tray systems in Thailand. Their factory spans 15,000 square meters and uses modern machinery with computer-controlled production systems. They emphasize quality, prompt service, and customer satisfaction, making them a strong choice for modular cable trays.

Niedax Thailand
A subsidiary of Germany's Niedax GmbH, Niedax Thailand offers a wide range of cable management systems, including ladder trays, mesh grid trays, and pluggable metal conduits. They provide solutions in steel, stainless steel, fiberglass reinforced polyester, and PVC, backed by over 100 years of technical expertise and research.

TIC Modular System
TIC is a Thai-owned company specializing in modular cable tray systems, switchboards, and electrical distribution solutions. They use modern CNC and MMC machinery for precise manufacturing and adhere to IEC standards. TIC offers a full-service experience, including design, consultation, manufacturing, installation, and after-sales support.

United Manufacturing Co., Ltd.
United Manufacturing focuses on wireway and electrical trucking systems. Their production process is highly automated, including CNC processing, shearing, bending, welding, and powder coating. All processes are ISO 9001:2015 certified, ensuring consistent quality and reliability.

Considerations for Choosing a Supplier

Product Range: Ensure the company offers the specific type of modular cable tray you need (steel, stainless steel, PVC, or fiberglass).

Certifications: ISO 9001, IEC, and other quality standards indicate reliable manufacturing practices.

Experience and Reputati...
